Y'know we've had a tradition since 2015 to all come back to our hometowns and have a day in SF... five years later and who would've expected 2020 to be like this. This year has been a blur already, like how is it September?? So far it's been a complete ride of ups and downs, but I'm excited for what the rest of this year has in store for us. 🥳

Definitely miss their antics, the sass, and the cheesecake I could never finish at union square. Here's to staying safe at home and the ability of photoshop. THE BRIDGE NEVER LOOKED THIS GOOD OOF 🥳❤️ See Less
