

**SPECIAL ALERT: VACCINE APPOINTMENTS AVAILABLE ON 4/9**

Friends, neighbors, and residents of District 8 --

I'm reaching out to let you know about this Friday's COVID-19 vaccine clinic at the Sam & Bonnie Pannell Community Center, right in the heart of Meadowview.

We've been holding vaccination events at the Pannell Center for the last month. This Friday, April 9th, will be the biggest one of all -- we have almost 2,000 vaccines available for eligible residents of South Sacramento, and I wanted to make sure that you had a chance to get yours. Not sure if you're eligible? Check Sacramento County's most recent guidelines [here](#).

Additionally, individuals ages 16 and over living in the following ZIP codes are eligible to receive the Pfizer vaccine: 95815, 95824, 95838, 95660, 95823, 95832, 95639, 95820, 95828, 95841, 95842, 95821, 95641, 95825, 95822, 95817, 95673, 95610, 95615, 95827, 95833, 95814, 95811, 95621, 95834, 95670, 95626, 95608

If you're eligible, call one of our incredible partners to register for an appointment:

You can also text our brand-new City of Sacramento Vaccine Text Hotline by texting "vaccine" to **(916) 476-2225** -- the automated system will put you on a standby list for one of our volunteers to call you and make an appointment for this Friday.

Parking is highly limited at the Pannell Center -- so our office has arranged for regular shuttle service from the Meadowview Light Rail Station directly to the vaccine clinic. SacRT is providing [completely free transit](#) if you're traveling to receive your vaccine, so we encourage patients to either take the train or to leave their car at the station.

I've included our flyer below in case you would like to send it out to your friends, family, neighbors, colleagues, or anyone else who might need a vaccine.

With love and gratitude,

Mai Vang, MPH
