I'm gonna ask you three questions and then just do your best to answer them. Question one, how has COVID-19 affected your faith or belief?

Interviewee 0:09

They have not affected them in any way.

Interviewer 0:13

Why not?

Interviewee 0:15

Because if you know, obviously, we're gonna have to go through tough times. But that doesn't mean that you can stop believing in a higher power.

Interviewer 0:26

Is your religious community still gathering currently?

Interviewee 0:30

Yes via Zoom. So I guess not in person, obviously, but they're still finding a way to connect.

Interviewer 0:38

Cool. How has COVID-19 affected your participation in your religious community?

Interviewee 0:43

Um, it's definitely made it tougher to connect with others in my religious community, obviously, because we don't have that face to face communication anymore. But, um, still trying to keep connected by checking in with members of my community and making sure that everyone is okay.

Interviewer 1:07

Is your religious community supplying or engaged any kind of community service in an attempt to help alleviate issues caused by the pandemic? If so, what are those efforts?

Interviewee 1:19

Um, I do not think that we're engaging in any kind of community service activities, right now, that I know of.

Interviewer 1:29

Perfect. Thank you so much for your interview. Have a good day.
