

WHATEVER THE SITUATION, WE ARE STILL MOVING
[Its A Story Of Me & My CCF Team Facing Covid 19]

My name is Baskoro from Indonesia. I am a Founder of Climate Change Frontier, est 2015. A community that concerned to Nature Protection & Humanity.

I want to share a story “How we are facing covid 19”.

President Joko Widodo announces two positive Indonesian citizens on Monday [March 2,2020]. Then President Joko Widodo on Sunday [March 15, 2020] urged to all Indonesian to just stay at home also practicing what is called “Social Distancing” to stop the spread of the coronavirus.

But i decided to take an action. I told to my team “We can not just stay at home. Our community need us”.

#Action 1
Socialization Of Covid 19 Prevention
[Starting on March 16 until March 21, 2020]

The situation has prompted a new outbreak in our community, likes anti-china ; hoaxes about Covid 19 ; Stigma & Discrimination and many more. Social media is more scary than Covid 19. Another problem is our community have limited knowledge about the virus. They have learned from media or social media. So why many people are still going out and congregating in groups despite coronavirus pandemic.

Since March 16, 2020, we conduct “**Socialization of Covid 19 Prevention**”. To increase understanding and awareness of citizens in preventing transmission of covid 19. We are distribute “Prevention of Covid 19 Flyer” and antiseptic soaps to public for free. Then, We discontinuing this action cause of our local goverment handle this [March 21, 2020]

#Action 2
Desinfectant Spraying
[Starting on March 29 until April 24, 2020]

We are conduct “Desinfectant Spraying” to many houses in my city. We have sprayed around 2000 houses. Me and my team [3 persons] doing this.

ECONOMIC IMPACT

The government appeal “Just Stay At Home and Social Distancing” is the best choice to stop the spread of the covid 19. But arise a new problem. Economic impact. A lot of peoples and the families in hard situation. Many of small business collapse. Almost of our community is daily workers. If they must stay at home, How with their families?

#Action 3
Movement of 100K IDR
[Starting on April 21 until May 13, 2020]

Movement of 100K IDR is to help small business. I asking help to many of my friends for donation 100K IDR. So we hope, they can survive during Covid 19 Pandemic. We have helped around 8 small businesses. We give them fresh money that they can continue their business.

#Action 4
Independent Assistance Post
[Starting on May 1 until June 1, 2020]

Our government provide social assistance to residents affected by Covid 19 Pandemic. But we sure, its not enough. Cause of there are residents not received it. So we want to help our government.

We have 2 Independent Assistance Posts. First step, we collect the data of poor people in every area. After we get it. We distribute rice [2,5 Kg] and Instant Noodle to them. 2 times per month. We have distributed rice and instant noodle to 20 poor peoples. Its not much cause of we have limitation.

Action 1 until Action 4 are our movement to help our government and our society. We calls "One Heart For Indonesia". I am stop this movement on June 18, 2020 officially.

Then, whats next?

#Action 5
Campaign #StayWithCCF
[Starting on May 28, 2020]

Covid 19 Pandemic has really changed our life. We can not go back to normal. Everything feels new. Corona Virus restrictions are going to be affecting our lives. So, How to save our earth? Mother earth need us now.

I handle this campaign directly. Its our way to save our earth in a new normal situation. Cause of stay at home and social distancing, so we are moving by digital campaign.

#Action 6
The Sociopreneur Sponsorship
[Starting on June 21, 2020]

I have a son, Frenanda, 15 years old. He have a community. Komunitas Anak Diatas Awan, est 2018. This is a humanity community. My son is the founder. I make cooperation with him, we work together. And create "The Sociopreneur Sponsorship". We calls "Me & My Father".

Today, Covid 19 Pandemic makes many businesses collapse. So we want to help them. But with different ways. We know, the sociopreneur is runs a business with the main mission of creating social impact and nature protection. "Me & My Father" become a sponsor of the sociopreneur. We have 3 mains step : 1. Financing their business, 2. Product Promotion, and 3. Investment of the business.
