

Plus, a membership update, the weirdest animal names out there and more! | [View in browser](#)

Your Shedd eNews for April 2, 2020

Important update: Shedd Aquarium's closure has been extended to April 30.

[Your membership has been extended!](#)

Your critical membership support is allowing us - even now - to act for our animals, our staff, the community and nature beyond our walls. To help you continue to enjoy your membership benefits uninterrupted, we are pleased to [extend all memberships through the length of our extended closure](#). Thank you, and we look forward to welcoming you back to continue to explore our essential connection to the aquatic animal world.
