Dears,

Welcome back! Even if you will not be physically present this semester, we will be together and doing great things.

Rose Mary has confirmed two bits of good news!

- 1) all of you qualify for workstudy this year
- 2) all of you can do workstudy remotely this year

Since we never returned to campus after spring break, we never collected workstudy keys. Rose Mary will need to receive your key before she can approve your first time sheet. Please mail just your flat key in a regular envelope with a card or stiff paper addressed as follows:

I am coming to campus this Friday to meet with workstudies and set up projects. Are you all free at 11 am to Zoom in to join us?

Please let me know if you are NOT interested in working workstudy this year. We can hold your spot if you want the semester or the year off, but let us know by tomorrow, please. So far, I have confirmation from _____ and Bianca.

Looking forward to seeing y'all again. I've missed you these many months.

Best,

Teresa Van Hoy
