HEALTH & SAFETY

- **Students and staff are required to wear a face covering when they are in all school and District buildings.**
- Students and employees should stay home if they are sick.
- The school nurse will evaluate students who display symptoms of illness.
- For COVID-19 related illness or exposure, we will follow CDC and Maricopa County Department of Public Health recommendations.
- We have distributed all PPE including two (2) cloth masks for every student, one (1) cloth mask for every employee plus a face shield for every pre-K through first-grade student, medically fragile students, and every classroom employee.
- Touchless paper towel dispensers and hand sanitizer dispensers for every building, distancing materials/supplies and sanitization equipment are in stock.

TEACHER CONTACT

- Teachers will be in contact with their students daily.
 - Teachers will conduct Google Meet small group sessions daily with select groups of students for varying subject areas.
- Phone calls will be made twice weekly if contact cannot be made over Google Meet or Google Classroom.
- Teachers will post student assignments and parent announcements weekly. A Google Classroom will be built for every grade level at every site.

TEACHER CONTACT CONT'D

- Teachers will monitor Exact Path and Study Island progress.
- Teachers will provide progress reports and grades as regularly scheduled.

- Daily attendance will be monitored by the teachers as well as the technology support assistants.

- Teachers will address social/emotional learning needs as identified and refer to counselors and social services for support as necessary.

ON-SITE LEARNING

Tempe Elementary is offering free on-site learning opportunities and support services at selected sites for children who:

- Are homeless
- Have no safe place to go
- Are in foster care
- Receive Special Education services
- Are ELL (English Language Learners)
- Qualify for free or reduced lunch
- Parent is a first responder or essential worker

To apply for on-site learning and support, please contact your child's school or our Student Support Department at (480) 730-7286.

ONLINE LEARNING

- Students will have the option to continue 100% teacher led, virtual learning once in-person learning begins on October 26, 2020 and November 2, 2020.
- This is available to students in Kindergarten - 8th Grade.
- Students will work from home on their District issued device five days per week for online instruction with their classroom teacher and on the Edmentum platforms of Exact Path (K-8) for Reading, Writing and Math and Study Island (3-8) for Social Studies and Science. The purpose of the platform is to provide independent practice at the student's unique level of skills and is not meant to replace teacher-led instruction.
- Students will have daily contact with their classroom teacher for whole group instruction. Individual and small group instruction will also take place remotely.
- Students will continue to be assigned a teacher at their regular school in order to stay connected, access resources, access social/emotional support, special activities, and to receive school communication.

ONLINE LEARNING CONT'D

Google Classroom

- All students will access Exact Path, Study Island, Google Classroom and Google Meet through their Single Sign On.
- Assignments can be uploaded from Exact Path to Google Classroom.
- Exact Path and Study Island are available 24/7.
- Google sessions can be recorded and played back for students at any time through a link in Google Classroom.
- Students were placed in a learning path based on the NWEA score obtained in December of 2019 or placed at approximately their current grade level by Exact Path. Kindergarten & 1st grade will be placed at beginning of grade level.
- Paths of study can be adjusted by staff if the work becomes too easy or difficult.

ONLINE LEARNING CONT'D

- We will continue to use the district-adopted curriculum to teach remotely.
- We will continue to follow the district-adopted curriculum map in order to make sure that all grade level standards are taught.
- Exact Path and Study Island are not replacements for teacher-led instruction.
- Exact Path and Study Island offer students the ability to practice independently.
- Exact Path offers Math, Reading, and ELA resources for grades K-8.
- Study Island offers Social Studies and Science resources for grades 3-8.
- Social Studies and Science resources will be provided by the Teaching and Learning Department for grades K-2.
- Students need to make daily contact with their teacher via phone, Google Classroom, Google Meet, Exact Path or Study Island to maintain enrollment.
- If students are ill or not participating, the parent or guardian shall call the school office and follow attendance procedures.
