With regard to the monetary subsidy that about 780 thousand vulnerable households of independent workers are about to receive, in the context of the health emergency due to Covid-19 the MTPE informs the following:

COMUNICADO

Con relación al subsidio monetario que recibirán cerca de 780 mil hogares vulnerables con trabajadores independientes, en el marco de la emergencia sanitaria por la COVID-19, el Ministerio de Trabajo y Promoción del Empleo (MTPE) informa lo siguiente:

 Ante la ampliación de la cuarentena hasta el 26 de abril, el Gobierno aprobó otorgar, por medio del MTPE, un segundo pago por 380 soles, con el claro propósito de seguir ayudando a los cerca de 780 mil hogares vulnerables con trabajadores independientes.

 En ese sentido, en fecha 10 de abril fue publicada la norma legal correspondiente en el Diario Oficial El Peruano.

 Dicho monto se sumará a los 380 soles dispuestos inicialmente, con lo cual las familias de los hogares vulnerables beneficiarios recibirán 760 soles en total, como parte del denominado "Bono Independiente".

 El abono respectivo comenzará una vez que haya culminado el primer pago.

5. A la fecha, más de 310 mil beneficiarios han logrado validar el número de su teléfono celular, a fin de poder realizar el proceso de cobro por medio de la Banca Celular del Banco de la Nación, luego de ingresar a la plataforma virtual www.bonoindependiente.pe

6. Los beneficiarios del Bono Independiente deben respetar la forma que se ha determinado para hacer efectivo el cobro del mismo. En esa línea, deberán tomar las precauciones del caso al salir de sus casas, como portar su DNI, usar mascarilla y mantener una distancia mínima de un metro con las personas.

 Desde el Ministerio de Trabajo y Promoción del Empleo reiteramos nuestra invocación a la población en general a quedarse en sus casas, para evitar contagios y aplanar así la curva de crecimiento de casos de la COVID-19.

EL PERÚ PRIMERO

1. In view of the extension of the quarantine until April 26, the government approved to grant, through MTPE, a second payment for 380 soles, with the clear aim of continuing to help the nearly 780 thousand vulnerable households with independent jobs.

2. In this regard, on April 10, the corresponding legal norm was published in the Official Diary of Peru.

3. This amount will be added to the 380 soles initially arranged, the families of the vulnerable households will receive 760 soles in total, as part of the so-called "Independent Bond".

4. The respective payment will begin once the first payment has been completed.

5. To date, more than 310 thousand beneficiaries have been able to validate the number of their cell phone, in order to be able to carry out the process of charging through the Cellular Banking of the National Bank, after entering the virtual platform **bonoindependiente.pe**

6. Independent Bond beneficiaries must respect the form determined to collect the cash of the Independent Bond. In this line, they should take precautions of the case when leaving their homes, like carrying ID, wearing masks and maintaining a minimum distance of a meter between people.

7. From the Ministry of Labor and Employment Promotion, we reiterate our appeal to the population in general to stay in their homes, in order to avoid infections and thus flatten the growth curve of COVID 19.

Good morning. Is there some economic subsidy for civil construction workers?

Geomar Pacheco R.

We hope your companies will consider this. Every civil construction worker has qualification and works with special regime in the country. We will know about reaction

my uncle entered his data... and they were able to communicate..

Eduardo Cordova

I registered on Tuesday and so far they have not deposited absolutely anything and since Thursday I do not have anything to eat, my neighbor is helping me with some food because I no longer have SILVER.

sstello

i find it a mockery of all other people. How is it possible for a deceased person's relative to receive a bonus? A 3 story house report? With bonus? The lady died two years ago. If they give her why cant they give me. There are no bonuses. I am a single mother. No silver. What's wrong?

Gino

how serious! Where did you see that news so I can look for it

Susana

Assign days or change the form of withdrawal, give the option to transfer it into an account

Chat noir

#bonoindependente fix your system. My uncle is in the bonus but for days has not been called

Renato Gavidia Bocan

you can't, it comes out this.

Jackelyn Chozo

The same thing happened to my mom, so far I cannot charge anything and we don't have the option to enter your phone number

Zenith

They have yet to deposit the 380

Zenith

My aunt got the key sent to her cell phone and I already made a charge... I have a card from the national bank and still have not received a deposit do I also have to wait for the key to reach my cellular?

E V Rodriguez

And the thousands who still cannot validate their data from their parents because of your mistakes @MTPE Peru and @reiecdigital... what are you doing so many days and still in this situation and no one does anything

kelly yanqui salluca

That happened to a friend and it turns out that the name of his mom was written differently on his birth certificate, before those were done by hand and the names are misspelled. It would be good if you consult with your parents for the exact spelling of their names.

Ronald Pena

the 760 soles will be divided into 2 parts?

Jairo Alexis

yes, the statement says so.

Luis Aguirre

The *551# has collapsed, what do we do to generate a new key, error comes out.
