

# Help Dean Barlese's Medical and Renovation Needs

Carolyn Harry is organizing this fundraiser on behalf of Dean Barlese.

Our brother Dean has helped so many of us through the decades with his commitment of prayers and ceremony, always opening up his home and being on call as needed. Dean has also been instrumental as a powerful and effective leader of bringing home many relatives for repatriation, guiding the way for others to follow. Dean is an artisan of beadwork and other crafts which is his livelihood, a true historian of our people's history and one of the last fluent speakers of Kooyooee Tukadu Yadooaa (Pyramid Lake Paiute Language).

Dean now needs our help. Dean has recently experienced health issues that have required immediate and intense medical intervention in the form of surgery and partial amputation. Wound care will be intensive for the other foot as well. Dean is expected to be wheelchair bound for several months.

Dean's home will required renovation to make his bathroom accessible, electrical work for woundcare appliances, a lift for transportation, and other numerous other needs.

We are asking support from all of Dean's friends and families to help him in his time of need.
