**Abstract:** Speaker 2 talks about how the COVID-19 pandemic has affected their faith and beliefs. They also discuss how their religious community has been affected and what community service activities it has engaged in.

**Speaker 1 0:00**

The first question is how has COVID-19 affected your faith or beliefs?

**Speaker 2 0:03**

It's really re-upped my belief in God because I know that through God, we will be able to get through this and everything's gonna be okay in the end.

**Speaker 1 0:14**

Okay. And the second question is: Is your religious community still gathering currently? How has COVID-19 affected your participation in your religious community?

**Speaker 2 0:24**

We're not gathering at church anymore, but we're doing Zoom meetings and we are having support groups online. And that's been really helpful.

**Speaker 1 0:33**

All right, that's good. And the third and final question is: Is your religious community supplying or engaged any kind of community service an attempt to help alleviate issues caused by the pandemic? If so, what are these efforts?

**Speaker 2 0:46**

We've been doing some food drives to get food to a lot of essential workers and the elderly and then also just providing like emotional and spiritual support to those in need.

**Speaker 1 0:55**

Well that conducts this interview. Thank you very much.

**Speaker 2 0:58**

Thanks.
