Updated 07/16/2020 3:00pm

¹ ICE's FY 2019 Average Daily Population was 50,165.

² "Currently under isolation or monitoring" includes detainees who tested positive for COVID-19 and are currently in ICE custody under isolation or monitoring. This number excludes detainees who previously tested positive for COVID-19 and were either returned to the general population after a discontinuation of medical monitoring/isolation or are no longer in ICE custody.

³ "Detainee deaths" includes detainees who have died after testing positive for COVID-19 while in ICE custody; COVID-19 may not be the official cause of death.

⁴ "Total confirmed COVID-19 cases" is the cumulative total of detainees who have tested positive for COVID-19 while in ICE custody since testing began in February 2020. Some detainees may no longer be in ICE custody or may have since tested negative for the virus.
