Subject: Reminder for clinic mask distribution event

A reminder that Wassaja Memorial Health Center (WMHC) is having its mask distribution drive through event for the FMYN community on **Thursday April 9th from 9:30 AM to 11:00 AM** in the back-parking lot. **This is a one-time event.**

WMHC has a limited supply of surgical masks on hand that has been designated for the community. As stated prior, the distribution will only be **one per person per household**. This is an extra approach for containment and mitigation purposes to flatten the curve of COVID-19 infection rates. The balance of these masks and other types of Personal Protection Equipment (PPE) will continue to be conserved strictly to first responders and healthcare providers due to the current supply issue.

Thank you for your attention to this matter.
